## Blow the Dust off your Instrument Orchestral Playing Day

Artistic Director: Angela Kay

Did you learn to play an instrument when you were at school but haven't got it out of the case for a long time? Or have you taken up playing an instrument in adult life just for fun? Do you like playing orchestral music? Were you a member of the school recorder group?

If the answer is **YES** to any of these questions then come to **Blow the Dust off your Instrument 2020**.

Conducted by Angela Kay and Gill Henshaw, this playing day will give you the chance to renew your old skills or put new-found ones into practice in a friendly, relaxed and supportive environment.

The music has been chosen to give scope to players of all abilities and will include the swaggering 'Polka' from **Schwanda the Bagpiper** by Weinberger, Tchaikovsky's well known 'Dance of the Flowers' from **Swan Lake**, Eric Coates **By the Sleepy Lagoon** (better known as the theme tune to Desert Island Discs) and, to bring back memories of childhood, **The Thunderbirds March!**

There will also be items for wind band and string orchestra. The recorder ensemble will also have a varied diet of music. The instrumental parts will be sent out in advance of the course to give you time to get to grips with the notes ahead of the day itself.

To apply, just fill in the form overleaf and send it in with your fee. For any further information about the course, please ring the MfE office on 0115 958 9312.

**Please note:** All instruments except recorders - this course is not suitable for players of a standard below Associated Board Grade 2

### More about Music for Everyone

MfE has over 35 years' experience in running successful weekend music courses. The formula is similar to that of the Open University: adults, teenagers and children from all parts of the community enrol for each event on an open access basis and receive 'distance learning' packs. With these they are able to study in their own time in preparation for each highly enjoyable course.

We are a non-profit-making charity and our open access policy depends on the work of our voluntary helpers and on our being successful in continuing to attract extra financial support.

### How you can help

#### • By becoming a 'Friend' of Music for Everyone.

A year's subscription of £16.00 will bring you various benefits including your own MfE card which can be used to obtain discounts when you purchase music from Windblowers Music Shop, Derby Road, Nottingham. At the same time your donation will contribute to the financial security of Music for Everyone. Join today by completing the special box on the application form overleaf.

#### • By giving some time.

We are always looking for people to volunteer to help with our courses (both adult and youth) in our Bookwise shops and also with day to day 'clerical' jobs. If you feel you would be able to help in any way, please let us know by filling in the 'Volunteers' section on the form overleaf.
