A Mystical Christmas

... a journey through Advent
and a festive Wassail

In the candlelit setting of this ancient church, the Nottingham Chamber Singers present a programme of atmospheric choral music and exquisite projected images which frame Chilcott's beautiful setting of the great 'O Antiphons'. The mystery and awe of these ancient texts take the listener on a journey through the last seven days of Advent to the triumphant arrival of the Messiah.

And to end the concert in the spirit of the Christmases of yesteryear, a wassail cup and carols for all!
