Let's Blow the Dust off our instruments and start **PLAYING AGAIN!**

Music for Everyone invites you to a friendly, relaxed playing day at Nottingham's spacious Albert Hall.

Did you learn to play an instrument when you were at school but haven't got it out of the case for a long time? Or have you taken up playing an instrument in adult life just for fun? Do you like playing orchestral music? Were you a member of the school recorder group?

If the answer is **YES** to any of these questions then come to Blow the Dust off your Instrument.

The music has been chosen to give scope to players of all abilities and will include the swaggering '**Polka**' from **Schwanda the Bagpiper** by Weinberger, Tchaikovsky's well known '**Waltz**' from **Swan Lake**, Eric Coates **By the Sleepy Lagoon** (better known as the theme tune to Desert Island Discs) and, to bring back memories of childhood, **The Thunderbirds March!**

There will be items for wind band and string orchestra and the recorder ensemble will also have a varied diet of music.

Instrumental parts will be sent out in advance of the workshop to give you time to get to grips with the notes ahead of the day itself.
