# Blow the Dust off your Instrument Orchestral Playing Day

Music for Everyone invites you to a friendly, relaxed playing day at Nottingham's Albert Hall.

Did you learn to play an instrument when you were at school but haven't got it out of the case for a long time? Or have you taken up playing an instrument in adult life just for fun? Do you like playing orchestral music? Were you a member of the school recorder group?

If the answer is **YES** to any of these questions then come to **Blow the Dust off your Instrument 2023**.

Conducted by Angela Kay, Gill Henshaw and Josh Goodman, this playing day will give you the chance to renew your old skills or put new-found ones into practice in a friendly, relaxed and supportive environment.

The music has been chosen to give scope to players of all abilities and will include Bizet's lively *Overture to Doctor Miracle*, an orchestral arrangement of Puccini's well known *Nessum Dorma* from his opera 'Turandot' and to remind you of the New Year's Day concert from Vienna, Strauss' thrilling polka *The Hunt!*

There will also be items especially for wind band and string orchestra carefully chosen by their conductor. The instrumental parts will be sent out in advance of the course to give you time to get to grips with the notes ahead of the day itself.

To apply, just fill in the form overleaf and send it in with your fee. For any further information about the course, please ring the MfE office on 0115 958 9312.

**Please note:** This course is suitable for players of Associated Board Grade 3 or equivalent and above.

## More about Music for Everyone

MfE has 40 years experience in running successful week-end music courses. The formula is similar to that of the Open University: adults, teenagers and children from all parts of the community enrol for each event on an open access basis and receive 'distance learning' packs. With these they are able to study in their own time in preparation for each highly enjoyable course.

We are a non-profit-making charity and our open access policy depends on the work of our voluntary helpers and on our being successful in continuing to attract extra financial support.

## How you can help

• **By becoming a SUPPORTER of MfE** you will join a group of people who believe in the power of active music-making to enhance lives and who want to enable as many people as possible to benefit from the experiences MfE can provide. ### • As a SUPPORTER you will:
